Navigate Alzheimer's Disease Care With ALZPro™ Resources

Click on the links to access resources

Are you not confident in identifying cognitive decline associated with AD?

- Alzheimer's Association Guidance on Diagnostic Evaluation, Testing, Counseling, and Disclosure of AD[1]
- Clinical Tools and Planning Resources to Support Dementia Risk Reduction, Diagnosis, Treatment and Care[2]

Do you have a network or multidisciplinary team but are not effectively communicating to provide the necessary continuity of care for AD patients throughout their diagnosis and treatment journey?

- Expert Recommendations for Cognitive Assessment and Care Planning[3]
- Pathways to Dementia Care Training and Certification[4]

Do you lack an established network or multidisciplinary team to help care for patients along their diagnosis and treatment journey?

- Project ECHO® Superhub and Dementia Care Training Program[5]
- Interdisciplinary Care Consortium for Alzheimer's and Dementia[6]
- Dementia Care Navigation Roundtable[7]

Are you geographically restricted, and looking for virtual AD education?

- ISTAART Connections: Community and Mentorship Hub[8]
- ISTAART Webinars[9]
- ISTAART Voices: Dementia Research and Care Podcast[10]
- Dementia Clinical Care Education Series[11]
